

ITEC AROMATHERAPY DIPLOMA – COURSE OUTLINE

The cost of the ITEC Aromatherapy Diploma is €1,995 (this includes all exam fees and also includes the option to take the Holistic Massage exam thereby gaining an extra separate Diploma). You may pay upfront in full and save €100 or pay in instalments. If paying in instalments, the final instalment must be paid 3 months prior to the exam date.

This course is split into 5 modules

- Anatomy & Physiology – self-study module
- Professional Conduct and Business Awareness – self -study module (or live zoom)
- Energy Management – compulsory 2 day course over a weekend via zoom 10/11 October 2026
- Aromatherapy Theory – via zoom – monthly June to October
- Aromatherapy Massage Practical – in house module

We are offering students the chance to take this Diploma at a flexible pace. Once you sign up and pay your deposit, you will be signed up to our student learning platform, Moodle, where you will gain access to the Anatomy & Business self study modules. The Aromatherapy theory will be held via zoom. You will be required to come in-house to the college here in Navan for the practical module.

For the theory module you will be required to purchase essential oils and some other equipment. For practical classes you will be required to buy some equipment such as a massage table cover, couchroll, towels and stationery. This equipment will be required for use during each inhouse class. A therapist's uniform will also be a prerequisite from day 1 of the in-house classes.

Once all modules are taken and all assignments and case studies are submitted you will take the assessments and will receive your official diploma from ITEC. These assessments will be held on Saturday 28th and Sunday 29th November 2026 if signing up now or the next exam date will be scheduled for summer or winter 2027 depending on when you commence the course.

ITEC is a government regulated training allowing you to practise worldwide and to gain insurance in Ireland or abroad. We also issue you with a Green Tara Diploma in Aromatherapy & Energy Management. You are eligible to further your studies with our very popular postgraduate massage courses which are held in house on an ongoing basis or progress onto our other ITEC Diplomas in Reflexology or Reiki. The awards you receive are academic and you will not be required to sit the Anatomy & Physiology or the Business modules again if you do decide to take another ITEC Diploma Course.

Upon graduation, as a thank you, we provide our Diploma students with a gift voucher which can be redeemed against one of our many postgraduate courses.
