The other option is to just take the ITEC Aromatherapy Diploma without the holistic massage exam. The fee for this is €1,690. If you already hold an ITEC Anatomy & ITEC Business Diploma there will be a discount available.

This course is split into 5 modules

- Anatomy & Physiology – self-study module

- Energy Management – compulsory 2 day course over a weekend via zoom early 2026

We are offering students the chance to take this Diploma at a flexible pace. Once you sign up and pay your deposit, you will be signed up to our student learning platform, Moodle, where you will have access to the Anatomy & Business modules. The Aromatherapy theory will be held via zoom starting on 3rd November one Monday evening per week for approx. 12 weeks. There is an option to take these classes as self-study classes. There will also be an option to take the Aromatherapy theory in the spring of 2026 (dates to be confirmed). The practical module will be starting late February with the first class on zoom. Thereafter, you will be required to come in-house to the college here in Navan one/two weekend days per month from 7th March 2026. The dates are on our webpage.

For the theory module you will be required to purchase essential oils and some other equipment. For the practical module you will be required to come in-house. At the college here in Navan we provide the massage plinths in the classroom. However, you will be required to buy some equipment such as a massage table cover, couchroll, towels and stationery. This equipment will be required for use during each inhouse class. A therapist's uniform will also be a prerequisite from day 1 of the in-house classes.

Once all modules are taken and all case studies submitted, the final assessments will be held on 11th & 12th July 2026 (there will be an option to take the Anatomy & Business exams on 2nd December 2025 if these modules have been completed). Thereafter, you will receive your official diploma from ITEC. ITEC is a government regulated training allowing you to practise worldwide and to gain insurance in Ireland or abroad. We also issue you with a Green Tara Diploma in Aromatherapy, Aromatherapy Massage and Aromatherapy for Reflexologists (if this is applicable to you) and a Certificate in Energy Management. You can further your studies with our very popular postgraduate courses. You can also progress on to further ITEC Diploma courses.
