We are offering students the chance to take this Diploma at a flexible pace. Once you sign up and pay your deposit, you will be signed up to our student learning platform, Moodle, where you will initially have access to the Anatomy & Business modules. Reiki levels 1 (4th & 5th October), Reiki level 2 (8th & 9th November) and Reiki level 3 (5th, 6th & 7th December) will be held in house over weekend dates (*with the exception of Reiki level 3 day 1 on 5th December which is held over zoom*) OR you can take the Reiki 1,2 and 3 levels in 2026 Reiki levels 1 (14th & 15th February), Reiki level 2 (11th & 12th April) and Reiki level 3 (15th, 16th & 17th May). We will also hold 4 or 5 extra advanced Reiki classes which will cover both theory (via zoom) and also practical elements of the course.

The exams will then be held in July 2026 with another option to take the exams in December 2026 (*dates to be confirmed*). There will be a written paper for the Anatomy, Business and Reiki Theory (most opt to take these on-line to save travel). The practical exam will be held in-house in the presence of an external examiner from ITEC.

You will be required to buy some equipment such as a massage table cover, couchroll, towels and stationery. A therapist's uniform will also be a prerequisite for the in-house training.

Once all modules are taken and all case studies submitted you will sit the exams and will receive your official diploma from ITEC. ITEC is a government regulated training allowing you to practise worldwide and to gain insurance in Ireland or abroad. You will also gain a certificate from us which will enable you to join the Reiki Federation of Ireland.
